 **RenoAssistance**
by  Desjardins

RenoAssistance by Desjardins has the most comprehensive verification process in the industry. We check each contractor's judicial history, insurance, licences, solvency, business relations, and experience.

And it doesn't stop there! Each 53-point Verified Contractor in our network is continuously evaluated by our clients at the end of each project. We make sure we only work with the best in the industry!

Why Trust Us?

Let RenoAssistance by Desjardins recommend you the best contractors for your project.

- 53-point Verified Contractors
- Experienced Renovation Advisors
- An average contractor score of 95.3%
- Over 100,000 satisfied customers
